SPONSORSHIP PROSPECTUS

Dear Partners and Sponsors,

It is with great pleasure that we invite you to participate in the 8th Croatian Congress of Emergency Medicine with International Participation and the 7th South-Eastern European Emergency and Disaster Medicine Congress (SEEDMC), held together as a single event in Opatija from May 6th to 9th, 2025, in partnership with EUSEM – the European Society for Emergency Medicine.

Your support has been a cornerstone of the success of our previous congresses, and we are deeply grateful for your continued partnership. This year, we are once again offering a unique platform for visibility, networking, and engagement with leading experts, healthcare professionals, and decision-makers in emergency medicine, pre-hospital care, and disaster response from across Europe and beyond. The congress will feature a rich scientific program, including plenary lectures, interactive sessions, panel discussions, pre-congress workshops, and hands-on simulation trainings. It is an unparalleled opportunity to showcase your organization, connect with a highly engaged audience, and contribute to the advancement of emergency medical services in the South-Eastern European region.

Please refer to the enclosed sponsorship brochure for detailed information on partnership levels, exhibition opportunities, and sponsorship packages.

We would be honored to continue our collaboration with you, as partners and sponsors, ensuring that this congress reaches its full potential. Your presence, support, and engagement are vital to making this event a success and to further strengthening the community of professionals dedicated to emergency medicine.

We sincerely hope you will join us in supporting this important congress and look forward to partnering with you in this exciting endeavor.

With best regards,

Professor Višnja Nesek Adam, PhD, MD

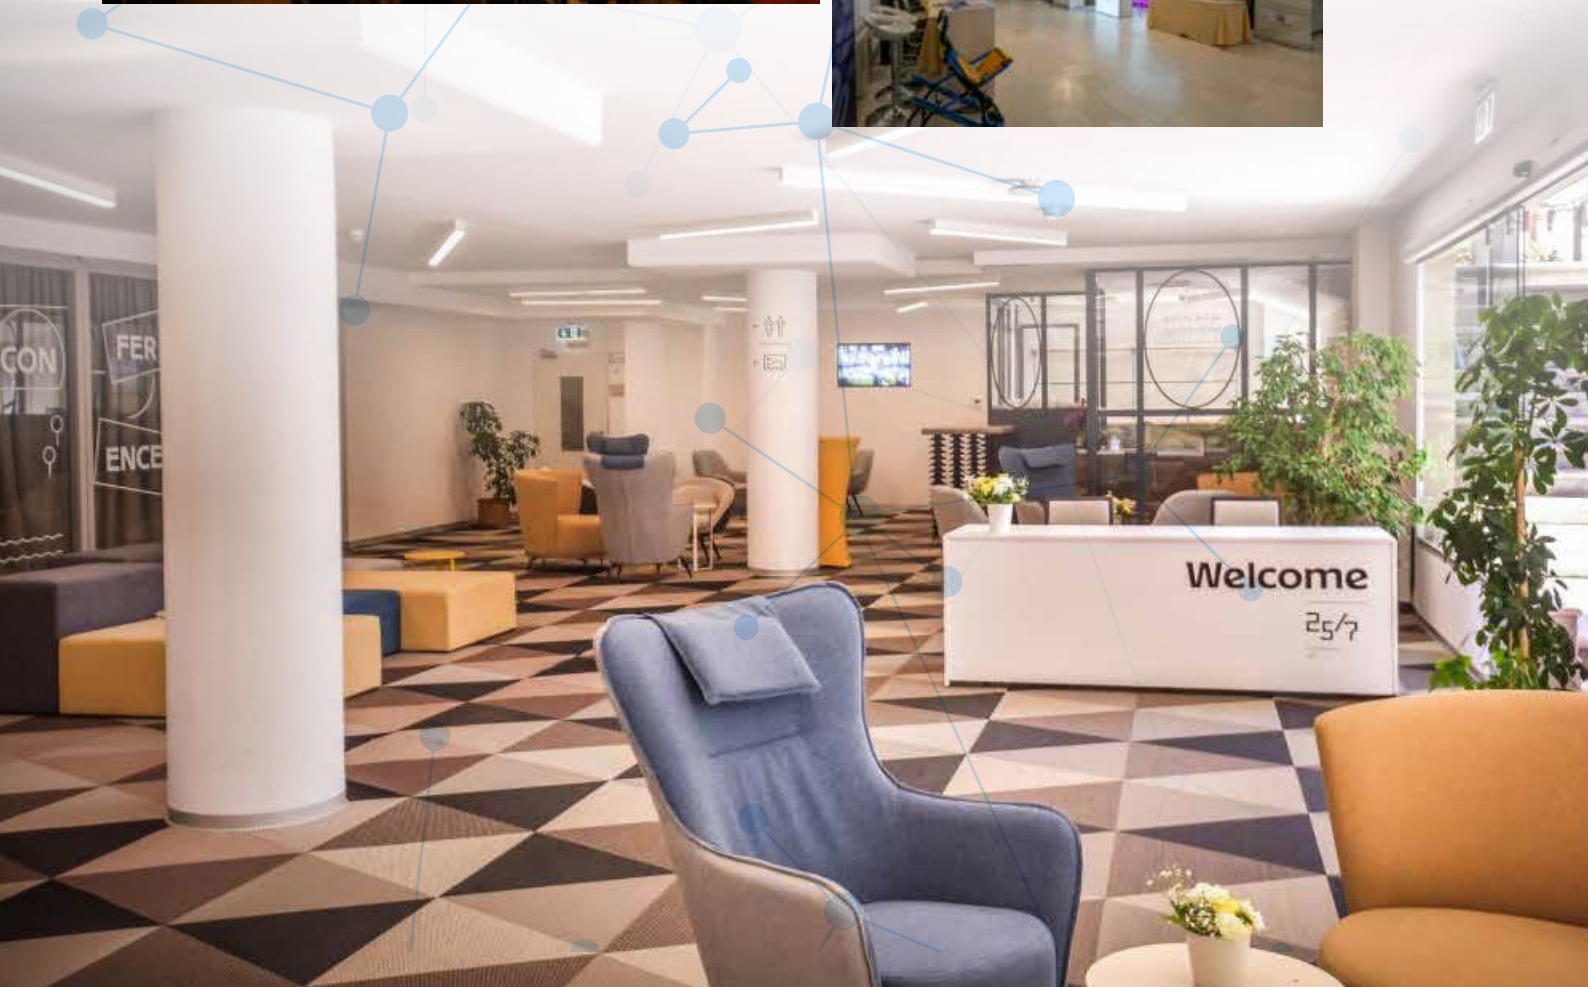

President of the Congress and President
of the Croatian Society for Emergency Medicine
On behalf of the Organizing Committee
